“ Carl was one of a kind. He had a gentle, kind soul with a laugh that warmed your heart. Growing up my dad always called me sissy. Carl was the only other man that did the same. To Carl, his daughter was always Sis and I, Sissy. I'm saddened that we lost touch in the years after my dad passed but taking comfort in knowing they are together again. Praying for comfort for Bobbie, Carla Ann, Kenny and family.

“ I was sad to hear of the passing of Carl. I send my sincere condolences to the Keenum family. May your memories of Carl provide you with comfort. My favorite memory of Carl was in 1981 when we were fishing and snorkeling at Bahia Honda Key while on a family vacation in the Florida Keys. Carl made it fun. Carl, Bobbie, Kenny & Carla always made sure that everyone had a great time. My memory of Carl is of a man who was extremely kind, caring and a person with a great sense of humor. I will always remember our wonderful family visits and vacations together with Carl.

“ I'll never forget how much of a loving caring man you were, you have been a positive influence in my life and the closest thing to a father to me since my mom and dad divorced, I love you my friend and spiritual father.
