

Cattie Irene Terry

October 10, 1942 - May 17, 2020

Beloved Mother Cattie Irene Terry went to be with the Lord Sunday, May 17, 2020, born October 10, 1942 in Red Level, Florida.

Loving Wife, Mother, Sister, Grandma, Great Grandma and Aunt, we are grateful for the way you raised us. You were never afraid to be our mom, you put your foot down to teach us right from wrong, to make sure we did our best. You always let us know we had a mom who cared about us, who believed in us, who was there for us no matter what and you never judged us. You were graceful, strong, positive, beautiful and smart, you amazed us with everything you did. You gave us courage, you gave us love, you gave us life. Without that we would not be who we are today, and we are grateful. We are here to celebrate you and your life of love.

You amazed us with everything you did in your life. You endured sadness along the way, but you seldom let it show. You always wanted us to believe you were strong, you could do anything. Now you are sitting up there with dad, your sons, your Granddaughter, mom, dad, your brothers and many other family members looking down on us today, please know you will be missed, life will be different without you. We want to say thank you for being with us as long as we were blessed to have you. Every child you had a hand in raising will miss you more than you will ever know.

With your never-ending love and guidance, your light and love will shine on.

“Mothers hold their children’s hands for just a little while... and their hearts forever.” (an Irish blessing)

“ We cannot go beyond God's reach or beyond His love and care. For we are all a part of God and God is everywhere. No hill is too high, no road is too long, if you faith in God is from and strong.

The good Lord packed a lot of love into the small package that was Cattie Irene. Irene came into this world honoring her parents and taking loving care of her brothers and sisters. She left a big hole in her family when she married Doyle at a very young age. She quickly had four children, a handsome loving son and three beautiful funny daughters.

Irene will be missed but there is no doubt that we will see her again some day. She was an awesome sister and sister-in-law, love ya Sis, Ben and Peggy

The good Lord packed a lot of love in a small package called Cattie Irene. She came into this world loving and caring for her brothers and sisters even as a little girl. Irene left a big hole in her family when she married Doyle at a very young age. She had a handsome, loving son and three beautiful, funny daughters quickly; growing up with her kids.

She was a wonderful sister and sister-in-law; we will miss her but there's no doubt we will see her again one day. Love ya Sis, Ben and Peggy

“ Our mom the baby whisperer, she is the only person I've ever known that could put a crying baby to sleep in seconds. She knew exactly what the baby needed and knew she had it. Momma I miss you already.
Love you so much

“ She always smiled. A very happy Aunt. She will be missed. I do remember many times. But this one comes to mind. When the family moved to Texas she called my mom and asked her to send some grits because she couldn't find some in Texas. We all laughed. I love you all.
