“ Yes I remember his convertible Buick. He, Ray and I were cruising in Melbourne with the top down trying to look real cool. Only trouble was it was above 50 degrees and we freezing. Don't know if he has any family still around I ofer my condolences to them.

“ I remember the 1957 Buick Roadmaster Charles drove back in the early 1960's. We had good times, just "crusin", and playing the radio. My condolences to all his family. Pastor Joe Raulerson- Glen St Mary, Florida
