“ Dan,you always had a soft spot in so many peoples lives. From the moment I brought you into our lives I knew we couldn't let you go. You drove Dad and I crazy at times but we always loved you. You kept us busy with Cub Scouts, baseball, soccer,and basketball. We joked about the time you had to walk to dad's gas station because I couldn't find the field. So many memories I will always be able to smile at and see your mischievous grin. We will all miss you terribly. I promise to keep doing my best for the boys and they will continue to hear the stories and your accomplishments. Love mom
