“ Our hearts are with you Darrell, Debbie and Marjie as you say a final goodbye to your Dad. We know he is now where he has wanted to be for a while, with his soul mate and love of his life, your Mom and my cousin, Barb. May God grant you peace knowing his pain is over . He was a wonderful husband, great Dad and grandpa. To me he was a wonderful friend and super addition to our family. We shall all be better because he was in our lives.
