“ Daryl is my husband. This has hit me so hard! He was a perfect man, husband, father. to his kids and step kids. This shouldn't of happened. Hes never been sick. He worked all day that day with no complaints. He was happy that day. I havent gotten any answers yet as of cause of death, and that's why I'm having a hard time with this. He lived to love me and take care of me and our two dachshund. He loved all of us so much. I just cant handle losing him. I love and miss you so much.

“ Daryl was always trying to make people happy. He loved being silly or playing jokes to get people to laugh. He was a hard worker. Loved his business and it showed. His customers will not only miss the shop, but they will miss him. This is all still so hard to believe. I don't understand how this happens to good people. RIP Daryl. You will forever be in our hearts.
