“ My only brother I cannot believe you are gone
You named me Betty after your favorite movie star Betty Grable. You were an only
child for 12 years I must have been a big surprise
You were my handsome big brother a great dancer Golden Gloves boxer and could
hit a baseball over the fence also a talented pool player always proud of you
Never heard you say a bad word against anyone
You are missed but I know you are with your love Faye and with our parents
I have beautiful memories of our trips especially California
I was lucky to have you in my life
Until we meet again you are in my heart
Your sis Betty

“ A Farewell to a much beloved Father

With love, laughter & music my father raised our hearts to the highest eternal grace.

From a lifetime of gratitude I have been blessed to call Harold B. Miles my father. He had open arms & a open heart to anyone around him. He shared his blessed life with his loving wife Faye (Metcalf) Miles and my dearest brother Richard Miles.

He was a man of many gifts sharing stories that would mesmerize you & had many friends of all ages that loved him and will miss him.

I cherished his beautiful blue eyes that could see right through you and take you in. He was a man of many strengths that as I grew into adulthood I learned to appreciate. I looked up to my father in many ways and as the years passed he looked up to me. I am so grateful for every moment we spent together sharing our wonderful memories that made our life beautiful.

You are at peace now with our Heavenly Father.

Your loving daughter,
Pandora
