“ Many good memories of visiting Harry, Carolyn, Betty, and Vinny over the years. He always made us feel welcome, and I felt like he would do anything for us if we needed it. So thankful for the way he took care of my Uncle Woodie and cousins Betty and Lyn. Thank you for your service to our country, and it's time to rest in peace now.

Love to all,
Marcia

“ I am so sad to hear about your dad. I know how close you were to him especially later on in life. My best memory is when he took care of getting us a limo for the junior prom. The driver needed to borrow a pair of your brother's black dress pants that were too short on him and the windows on the limo were not tinted. You were so upset with him!
All in all we had a great time and he gave us a memory that will last a lifetime!
May he Rest In Peace. Love, hugs, kisses and friendship forever!
Sincerely, Teresa (and Franky)

“ My uncle Harry.. the one who put a cigarette in my mouth at age 3.. the one who always joked around.. BUT my 2 big memories are- he always had a beard and stash and I just would never kiss or hug him when I was younger.. my other is how he took care of my mom when my dad passed.. he was an amazing family member and will be missed greatly!!
