

Hugh Kimnell

March 5, 1966 - June 11, 2020

My darling son of 54, born in England, but made his home here in Florida, has left a gap in the lives of so many people to whom he reached out, especially his friends from The Cricketers, Celebration and Lake Nona.

Hugh lived life to the full despite some poor health and was a loyal friend and businessman who was generous with his love, time and help.

Sadly Sarah and I will be leaving Florida to return to the UK, but retaining so many memories of the happy times we have spent with Hugh and his friends during the last 28 years. On our return to England a small service of remembrance will be held in Cockfield.

Our thanks go to all who have supported him including his many friends, colleagues and health teams. May he rest in peace knowing he will always be in our hearts.

“ Hughie was such an awesome person to be around. He would always light up the room and know just the right thing to say. Always kind and sweet and most importantly, a gentleman. I'm so sorry for everyone's loss, sending love and prayers to everyone during this difficult time.

“ A sad sad loss of a true friend. From meeting Hugh 33 years ago in St George’s Bermuda we have enjoyed fabulous times both on the Island, Orlando and visiting us here in Beverley in the UK. Gone but never ever forgotten Hugh. We will miss you more than you’ll ever know.
